

FACULTY OF ARCHITECTURE, SRI SRI UNIVERSITY, CUTTACK, ODISHA

Research Methods & Techniques in Architecture & Planning

5 Day Online Faculty Development Program
January 8th to 12th, 2024 (2:00 PM to 5:00 PM)

PREAMBLE

Today, research has become an inevitable component of the growing complexity of architectural and planning studies. This makes it more important for architects, planners, and research scholars to be acquainted with various research methods/ techniques in architecture and planning. The five-day online FDP aims to integrate the various methods and techniques that are currently being adopted by various researchers in the disciplines of architecture and planning. The Target audience of the FDP would comprise of architects, planners, research scholars, and faculties from various institutes of architecture and planning across the country.

OUTCOME: Participants will comprehend the methods for doing architectural research and the publication process by being able to apply the knowledge they learn to their academic and professional research.
