PRESS RELEASE

SUCCESSFUL CONDUCT OF THIRD NATA 2021 EXAMINATION

The Council of Architecture has successfully conducted Third test of NATA today on 03.09.2021. First test of NATA was held on April 10, 2021 while the Second was conducted on July 11, 2021.

The Third Test has been conducted with candidate attendance of over 92% at 181 Centres, at 150 cities in India and at 06 international cities.

Result for the NATA Test will be declared on or before 08.09.2021 on the NATA Portal at www.nata.in. For candidates who have appeared in two tests, the best marks secured in the two attempts shall be taken as the valid score for admission to B.Arch. Course.

We believe that NATA is an aptitude test and shall evaluate the aptitude of a candidate to study architecture. NATA has been designed to assess the aptitude of candidates using different testing formats & techniques. We are hopeful that NATA will help us identify who have real aptitude to study Architecture.

Architects play a major role in the development of a nation. I'm sure our future architects will help our country become a world leader soon. I wish all success to the future architects of our country.
